

# HOW TO TAKE AN IN-CLASS TEST

# Multi-Tiered Testing Approach:

# INDIVIDUAL TEST PROCESS

- ✓ **Complete silence** is needed in the classroom during the INDIVIDUAL TEST.
- ✓ Sit in the general area of your **Group Location** when you come in. You will be given an **ANSWER FORM** when you come in -- put your **NAME & GROUP #** on it.
- ✓ When everyone is ready, Dr H & TA's will pass out the **TEST QUESTION SHEET** to each student.
- ✓ **Extra forms will be collected** – raise your hand if we miscounted so we can collect the extras.
- ✓ If you come in late, get a TEST & ANSWER FORM from the TA and sit near your group without disturbing anyone if possible (If you can't find a seat near your group, you can join them later for the Group Test.)

You should already have  
your **INDIVIDUAL TEST**

Be sure to enter your  
**NAME & GROUP #**  
on BOTH the **TEST**

A smaller white rectangle is placed on top of the grey one, containing the text 'Stan Student' and 'Group # 0'. A red arrow points from the text 'Answer Form' to the top of the white rectangle. Test Questions

When you are done, **fold the TEST QUESTION SHEET** in half and **place your ANSWER FORM inside** with ***only your NAME & GROUP # showing at the top*** .

Then raise your hand.  
Someone will pick it up from you.

## TODAY:

While waiting for others to finish, you may do one of 3 things:

- (1) Read the short handout on the **End-of-Semester GC Group Extravaganza!** which will be given to you when you turn in your test. Come up with ideas to share with your group later!
- (2) Snooze, daydream, or plan your weekend
- (3) Read the Wildcat (no other reading material allowed except for (1) below)

# INDIVIDUAL TEST PROCESS (cont.)

- ✓ When you have completed your test and filled in the answer form, **double check to be sure your NAME & GROUP # are on BOTH the TEST QUESTION SHEET & ANSWER FORMS.**
- ✓ Place the **ANSWER FORM** (with your name showing) **inside your FOLDED TEST QUESTION SHEET as directed** to hide your answers, raise your hand & a TA will collect the test items from you
- ✓ It's **very important to maintain the classroom silence** while others are finishing their tests. You **WILL** disturb your fellow students still taking the test if there is any talking / texting whatsoever! ☹️
- ✓ Students usually finish in ~20-25 minutes. **Please be patient!** All Answer Forms & Test Question Sheets must be collected before the **GROUP TEST** can begin.

✓ After all Answer Forms & Test Sheets are in, **students get into groups for the GROUP TEST.**

✓ **Send someone down to get your GROUP ANSWER FORM .**

✓ You will also **receive 2 colored copies of the TEST to use in your Groups.**

You'll now take the same test you just took as an individual within your group, so remember what you answered on your individual test for each question.

**Groups share and discuss the answers with each other & learn from each other doing this!**

You'll use the **"IF-AT" Form** for immediate feedback on your Group Tests & compute your group score yourselves.

## WHEN YOU COMPLETE THE GROUP TEST:

- ✓ When you have completed your GROUP TEST and filled out your TOTAL SCORE on the GROUP ANSWER FORM, turn in your **GROUP ANSWER FORM** & **BOTH** colored copies of the **GROUP TEST SHEET** to the front desk

We will typically have a class activity after a test. Today we'll watch the continuation of the "**Saved by the Sun**" video.

Until all the groups are finished – within your group you should **begin discussing what kind of end-of-the-semester Group Event** you would like to do, based on the handout given to you after you took your individual test today.

## RE-CAP of Individual Test procedure when you are finished:

✓ Double check to be sure your **NAME & GROUP #** are on BOTH the **TEST & ANSWER FORM**.

✓ Insert the **ANSWER FORM (name & Group # visible)** **inside your folded TEST** to hide your answers, raise your hand & a TA will collect BOTH items from you

✓ **Maintain ABSOLUTE classroom silence** while others are finishing their tests. NO talking, texting, etc.

✓ While waiting for others to finish, you may do one of 3 things:

- (1) Read the short handout on the end-of-semester GC Group Extravaganza!
- (2) Snooze, daydream, or plan your weekend
- (3) Read the Wildcat (no other reading material allowed except for (1) below)

See you Thursday in class
