

HOW TO TAKE AN IN-CLASS TEST

Multi-Tiered Testing Approach:

INDIVIDUAL TEST PROCESS

- ✓ **Complete silence** is needed in the classroom during the INDIVIDUAL TEST.
- ✓ Sit in the general area of your **Group Location** when you come in. You will be given an **ANSWER FORM** when you come in -- put your **NAME & GROUP #** on it.
- ✓ When everyone is ready, Dr H & TA's will pass out the **TEST QUESTION SHEET** to each student.
- ✓ **Extra forms will be collected** – raise your hand if we miscounted so we can collect the extras.
- ✓ If you come in late, get a TEST & ANSWER FORM from the TA and sit near your group without disturbing anyone if possible (If you can't find a seat near your group, you can join them later for the Group Test.)

You should already have

*Remember your answers

TOTAL: out of 20

When you are done, **fold the TEST QUESTION SHEET** in half and place your **ANSWER FORM** inside with only your NAME & GROUP # showing at the top .

Then raise your hand.
Someone will pick it up from you.

**PLEASE PROTECT THE INTEGRITY
OF YOUR ANSWER FORM &
KEEP YOUR ANSWERS COVERED!**

TODAY:

While waiting for others to finish, you may do the following **IN SILENCE**:

(1) Snooze, daydream, think deeply

about GLOBAL CHANGE 😊

... or plan your weekend

(2) Read the Wildcat – **allowed on Test Days only!**

No other reading material allowed &

absolutely NO PHONE VIEWING or TEXTING!

INDIVIDUAL TEST PROCESS (cont.)

- ✓ When you have completed your test and filled in the answer form, **double check to be sure your NAME & GROUP # are on BOTH the TEST QUESTION SHEET & ANSWER FORMS.**
- ✓ Place the **ANSWER FORM** (with your name showing) **inside your FOLDED TEST QUESTION SHEET as directed** to hide your answers, raise your hand & a TA will collect the test items from you
- ✓ It's **very important to maintain the classroom silence** while others are finishing their tests. You **WILL** disturb your fellow students still taking the test if there is any talking / texting whatsoever! ☹️
- ✓ Students usually finish in ~20-25 minutes. **Please be patient!** All Answer Forms & Test Question Sheets must be collected before the **GROUP TEST** can begin.

✓ After all Answer Forms & Test Sheets are in, **students get into groups for the GROUP TEST.**

✓ **Send someone down to get your blue GROUP ANSWER FORM .**

✓ You will also **receive 2 colored copies of the TEST to use in your Groups.**

You'll now take the same test you just took as an individual within your group, so remember what you answered on your individual test for each question.

Groups share and discuss the answers with each other & learn from each other doing this!

You'll use an **"IF-AT" Form** for immediate feedback on your Group Tests & compute your group score yourselves.

Each question is worth **0.5 pts** on the **Group Test** for a total of **5 Group Pts** for the entire test

WHEN YOU COMPLETE THE GROUP TEST:

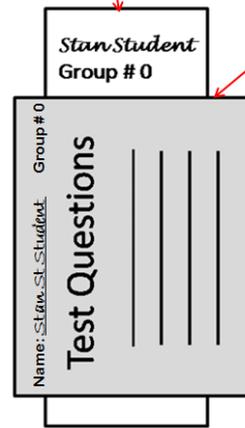

✓ When you have completed your GROUP TEST and filled out your TOTAL SCORE on the GROUP ANSWER FORM, turn in your **GROUP ANSWER FORM & BOTH colored copies** of the **GROUP TEST SHEET** to the front desk

TODAY, when your group is finished, you may leave. However sometimes after In-Class Tests we may have another short class activity

RE-CAP of Individual Test procedure when you are finished:

✓ Double check to be sure your **NAME & GROUP #** are on **BOTH** the **TEST & ANSWER FORM**.

✓ Insert the **ANSWER FORM (name & Group # visible)** inside your folded **TEST** to hide your answers like this → raise your hand & a TA will collect BOTH items from you

✓ Maintain **ABSOLUTE classroom silence** while others are finishing their tests. **NO** talking, texting, etc.

✓ While waiting for others to finish, you may do the following **IN SILENCE:**

- (1) Snooze, daydream, THINK (!) . . . or plan your weekend
- (2) Read the Wildcat (no other reading material allowed – and **absolutely NO PHONES OUT or TEXTING!**)
