

THE
GOD
PARTICLE?

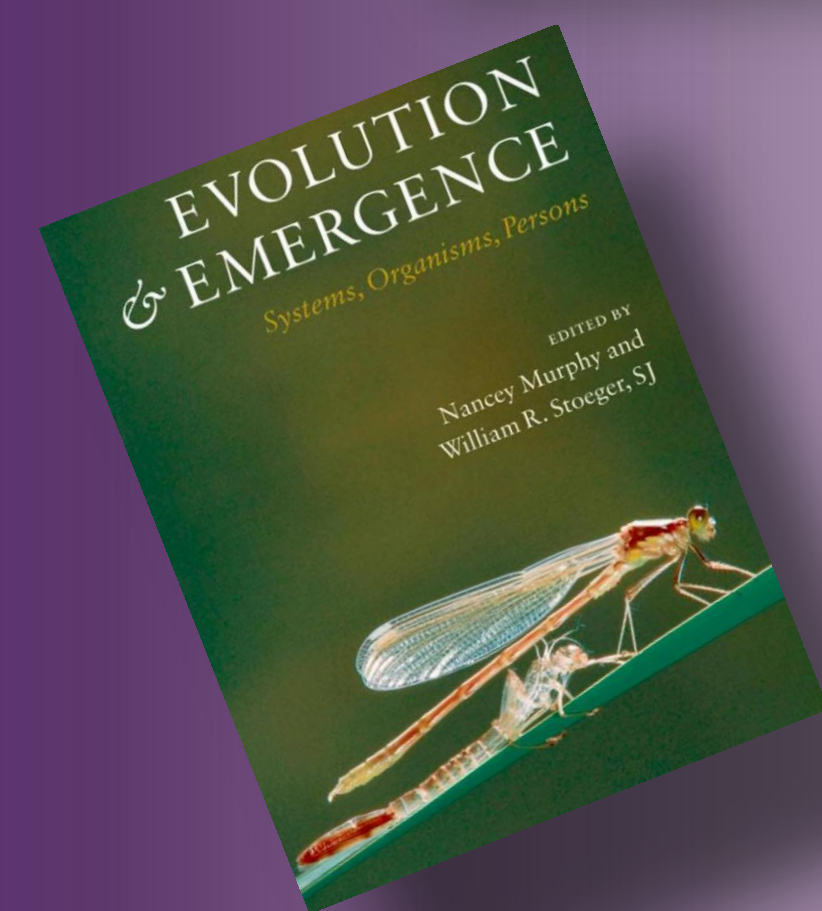

Would you like
to deepen your
spirituality
by probing the
wonders of our world
through scientific
insights?

COSMOLOGY?

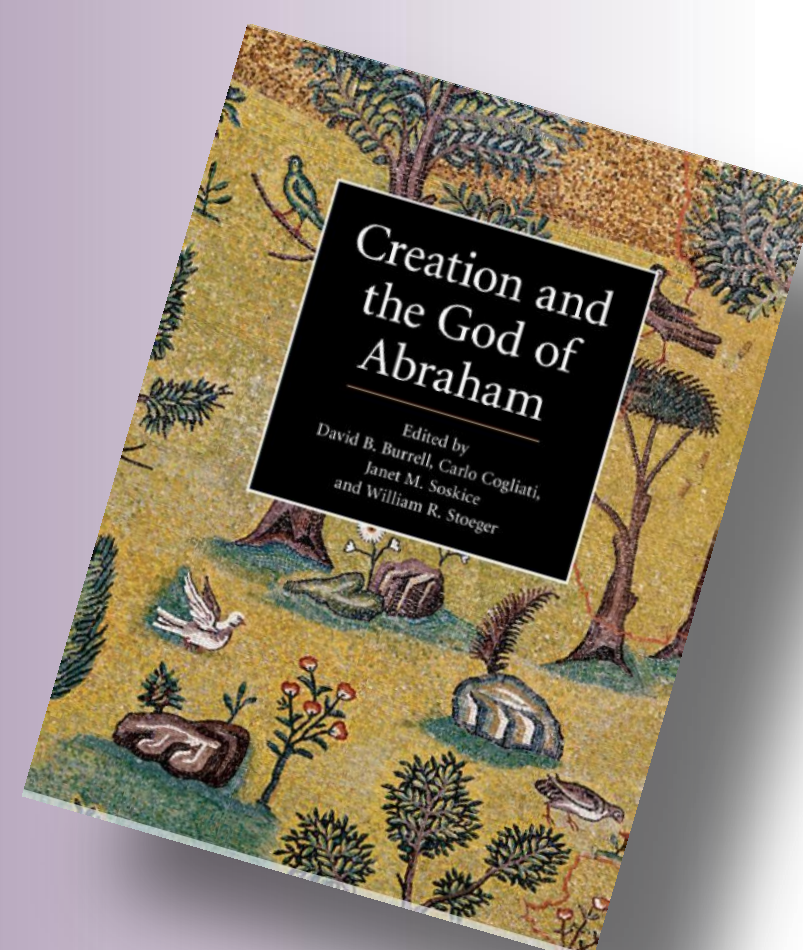

THE BRAIN?

Do you wonder
what your
professors
believe about
God?

EVOLUTION?

MIRACLES?

DO SCIENCE, FAITH & SPIRITUALITY MIX?

THE
ST ALBERT

Sessions
are held at the
St Thomas More
Catholic Newman Center
on select Thursday evenings
from 7:30 – 9:00 pm

SCIENCE, FAITH & SPIRITUALITY SESSIONS

JOIN US FOR
THOUGHT-PROVOKING
PRESENTATIONS
& DISCUSSIONS

ALL ARE WELCOME!
students • professors • scientists • non-scientists
all interested members of the community

THE
BIG BANG?

Are you curious
about how scientists
reconcile their science
with their
faith?

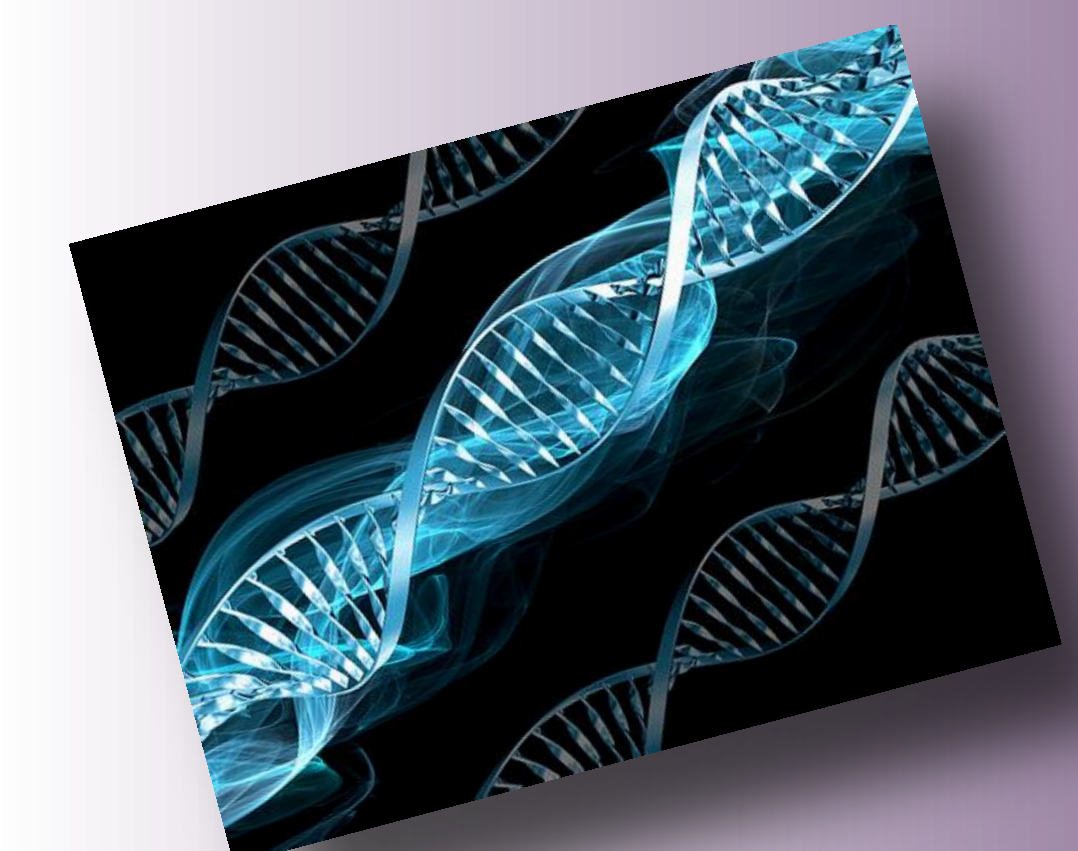

GLOBAL
WARMING?

What does the
Church say about
the pressing
science issues of
our times?

MEDICAL
ETHICS?

BIOETHICS?

CLIMATE
CHANGE?
