STEP #2: Use Dr H's email address to locate her sections so you can register your device with our NATS class:

The screenshot shows the 'Web Registration Utility' interface. At the top, there is a header with a yellow arrow icon and the text 'Web Registration Utility'. To the right, it says 'Call toll-free within the U.S.: 1-866-746-3015' and features the 'TurningPoint' logo. Below the header, the page is titled 'Student Registration Step 2: Step 2 of 3'. A paragraph of text explains the process: 'Please provide the email address for the professor whose class you will be using the Response device in. Once you click "Display Classes", a list of the professor's courses will display. Repeat the process for any additional professors.' Below this text, there is an 'Instructor Email' field containing 'katie@LTRR.arizona.edu' and a green 'Display Classes' button. A callout box points to the email field with the text: 'Enter Dr H's email address: katie @ LTRR.arizona.edu'. Another callout box points to the 'Display Classes' button with the text: 'CLICK Display Classes & Dr H's NATS 101 sections will appear'. Below the button, there are two lists. The 'Available Classes' list contains two items: 'NATS101 51+52 Global Change @ 12:30' and 'NATS101 53+54 Global Change @ 3:30'. The 'Classes to Register' list contains one item: 'katie@ltrr.arizona.edu :: NATS101 51+52 Global Change @ 12:30'. A callout box points to the 'Add' button between the two lists with the text: 'SELECT the section you are in, then CLICK Add to move your section onto the list of "Classes to Register"'. At the bottom of the interface, there are 'Back' and 'Next' buttons. A callout box points to the 'Next' button with the text: 'CLICK Next'. At the very bottom, there are links for 'Terms of Use' and 'PRIVACY'.

(NOTE: If you have more than one class using Turning Tech's response systems, you can enter another instructor's email address now or later to add additional classes to your device registration. When all the classes you are using your response device are in your list, click "Next".

STEP #3: Verify that your registration is accurate, then click "Complete Registration."

The screenshot shows the 'Web Registration Utility' interface. At the top left is a logo with a yellow circle containing a black 't' and the text 'Web Registration Utility'. To the right, it says 'Call toll-free within the U.S.: 1-866-746-3015' and the 'TurningPoint' logo. The main content area is titled 'Student Registration Step 3: Step 3 of 3' and includes the instruction 'Please verify all information is correct before submitting.' Under 'Student Info', the details are: First Name: Stella, Last Name: Student, Device ID: 10001703, and Other Info: sgs. A callout box points to the 'Last Name' field with the text 'Check to see if registration is correct.' Under 'Classes to Register', there is a table with two columns: 'Class' and 'Instructor'. The row contains 'NATS101 51+52 Global Change @ 12:30pm' and 'katie@ltr.arizona.edu'. At the bottom, there are two buttons: 'Back' and 'Complete Registration'. A callout box points to the 'Complete Registration' button with the text 'Click "Complete Registration"'. The entire interface is enclosed in an orange border.

You and your device are now added to the list of students and their Device IDs in Dr H's NATS 101 class.
